University of Kentucky
Expected to graduate in May 2022
Dean's List, Spring & Fall 2021

OTHER EXPERIENCE

- Started [personal website](#) posting original content regarding all things going on in the world of men's college basketball at the NCAA Division I level, also used to host published work
- Created a social media following covering breaking news over recruiting, announcements, game recaps and other topics in college basketball
- Worked as University of Kentucky Student Government Association Newsletter Coordinator, distributing information about upcoming events to student body via email
- Helped coach middle school track team at Scott County Middle School in Georgetown, KY, helping lead the team to multiple first-place finishes at meets during the 2021 spring season

SKILLS

- Adobe InDesign
- Adobe Photoshop
- Microsoft Office Suite
- StatCrew
- ARCHTICS Ticketing Application
- Sports writing
- Press releases
- Sports statistics and advanced analytics
- Social media platforms, including Twitter, Instagram, Tik Tok, Facebook, others

Communication and Public Relations Student Assistant

University of Kentucky Athletics
Lexington, KY | August 2021 - Present

- Collaborate directly with sports information directors to help with ongoing projects, such as editing team roster for 2021 football team to ensure all player information is accurate and logging score totals for the women's golf team, dating back to 1984 for later reference
- Work events for men's and women's basketball and soccer, volleyball, football, gymnastics, men's tennis, with tasks ranging from calling or receiving substitutions during game, transcribing play to cross-reference with StatCrew, running stats to media members, taking postgame quotes from players and coaches and transcribing, and more
- Assist running NCAA Tournament events hosted on campus for men's soccer and volleyball, including escorting players and coaches to postgame media press conferences
- Serve as secondary contact for men's tennis during the 2022 spring season, including writing for the team and using StatCrew during events
- Publish previews and recaps on UKAthletics.com for women's golf and men's soccer events

Communications Intern

Nashville Predators
Nashville, TN | May 2021 - August 2021

- Assisted the communications department with several offseason projects, including maintaining the team's statistical database, working with hockey operations team to update the organization's history hallway near the locker room, audit and edit NashvillePredators.com and BridgestoneArena.com, transcribe quotes after all media availabilities and pitch stories regarding the Predators Foundation
- Executed key game-night responsibilities for three 2021 Stanley Cup Playoff games at Bridgestone Arena, including ensuring media members had an unparalleled experience, assisting with media credentials, and maintaining COVID-19 protocols were followed in press box and media lounge
- Wrote press releases and news stories regarding Predators transactions and community events, which were published on NashvillePredators.com
- Helped run major events and press conferences at Bridgestone Arena, assisting with set up and media entry
- Contributed and edited team's annual media guide ahead of 2021-22 NHL season

Ticket Office Sales Associate

University of Kentucky Athletics
Lexington, KY | October 2018 - April 2021

- Helped execute multiple aspects of ticket operations on game day events for multiple varsity sports, including football, basketball, volleyball, gymnastics, men's and women's soccer, baseball, and softball
- Assisted in customer service to provide specialized, personal assistance regarding ticket sales to supporters of UK Athletics over the phone and in-person
- Sold tickets to single-game and full-season sporting events for all athletics seasons using the ARCHTICS ticketing application
- Provided game-day service to customers and sold tickets to games on the day of the event
- Worked the student-pass gate for family and friends to receive tickets left by athletes while complying with all NCAA rules and regulations

Pi Kappa Alpha International Fraternity

Omega Chapter
Lexington, KY | August 2017 - December 2021

- Held executive board position as Secretary from October 2020 to November 2021, planned all organizational meetings among members, kept track of attendance for 130 brothers, wrote weekly newsletters to brothers and the Alumni Advisory Board regarding upcoming events, wrote meeting minutes for executive council, full cabinet and chapter meetings, updated internal information on all brothers, signed up members for international conferences
- Served as chapter's first Mental Health Chair from March 2020 to October 2020, provided safe space for brothers to voice concerns in their own life to point them in the right direction for help, organized a Mental Health Awareness Week on campus and provided free mental health screenings for students, raising over \$2,500 for the Rae of Sunshine Foundation, provided detailed lists of free mental health services to brothers weekly
- Worked on the executive board as External Vice President from October 2018 to March 2019, oversaw all outward facing operations of athletics, public relations, merchandising, social, philanthropy, community service and campus involvement, worked with budget of approximately \$74,000
- Brother Leader from October 2017 to January 2018, Continuing Education Chair from January 2018 to October 2018
